Project Title 'One Sheet'

Premise/Logline: *A concise one-sentence explanation of the show/sketch.*

Synopsis: *A detailed explanation of the project (1 paragraph)*

Approach: *What the tone? What existing projects is it similar too? Give us a little about how you intend to execute the project?*

The Pitch: *Why is this awesome? Is fresh/new? Who is your intended market (who will watch it) Sell the project!*

Attachments: *What Cast/Crew/Gear/Locations/Resources do you have lined up for the project? Is there a big scene at a auto-dealership? Do you have that location locked?*

Materials: *Please include your script/outline/show bible in screenplay format. Your welcome to include websites, bios of your key creative, images etc.*

Timeline: *What your ideal timeline for production and post? Are you trying to time the release with a season/event?*

Needs: *What do you need from us? Is the project done and you want us to distribute/market? Do you want this to be a recurring series and you need a steady Producer to help you make the first 6 episodes? Do you have the team, but need sound gear?*

The iOCN is here to help however we can. But please understand that there are many projects we're trying to execute and we not be able to take yours on.
